VICONIC®

FALL DEFENSE™

Injury protection under your feet.

Overwhelmingly safer

- **88%** fewer falls with major injury
- **72%** reduction in ER visits
- Supports staff & resident wellness

2021-2026 Composite Provider Partner Fall Data: Rooms with Viconic Compared to Those Without

Outcomes show statistically significant reductions at the 95% confidence level, exceeding accepted healthcare research standards.

Unfortunately falls happen.

Every eleven seconds an older adult is treated in the emergency room for a fall (source: CDC). Caregivers can't be there beside every resident 24/7 to reduce the risk of fall-related injuries.

Viconic Fall Defense can. It's a patented fall protection system right under the floor covering. Trusted by the U.S. military, Viconic is engineered for reducing the risk of fall-related injuries and for ease of installation. Once installed, it invisibly supports mobility, healthy aging, and independence for years.

Because you can't be everywhere all the time, put up your best defense. Viconic Fall Defense.

With input from industry leaders such as architects, designers and providers, Viconic Fall Defense is an ideal option for new construction and remodels in all senior care settings… for years to come.

- Reduce risk of fall-related injuries
- Decrease number of ER visits
- Improve Quality Measures (QMs)
- Mitigate fall-related costs
- Reduce litigation & liability
- Support person-centered care
- Reduces staff fatigue
- Improve acoustics
- Differentiate your community
- Easy to install under most flexible floors

Made in USA

"If you're building or renovating and not looking at solutions like this, you're missing an opportunity to lead."

Steve Muller, COO
Garden Spot Village
